	Playful Making Sculpture, sketchbooks, drawing	Music & Art Drawing, Sketchbooks, Painting, Collage, Making	Telling Stories Through Making Sculpture, Drawing, Sketchbooks	Art of Display Sculpture, Drawing, Sketchbooks	Set Design Making, Drawing, Sketchbooks	Brave Colour Making, Drawing, Sketchbooks
Working in 3 Dimensions	<p>Pupils become familiar with the term 'sculpture'. Pupils are introduced to the idea that sculptures are made by sculptors. They are involved in discussion about the work with their peers. Pupils create drawings inspired by the sculptures that they have seen.</p> <p>Pupils respond to prompts through making and constructing materials. They demonstrate that they can experiment with materials without having a predefined outcome. Children find out how they might attach more than one material together to construct new forms through trial and error.</p> <p>Pupils apply what they found out about the properties of materials during lesson 2 and push their exploration further by responding to the selected brief. Using their imaginations and hands, pupils will manipulate, build and invent sculptures. Sketchbooks are used to record their findings.</p> <p>Pupils reflect on their sculptures over the half term, sharing what they like and what they would like to try again through peer discussion. Pupils identify what they learnt about different materials. They may photograph their work and stick photos into their sketchbooks.</p> <p>Christo & Jeanne-Claude, Faith Bebbington, Caitlind r.c. Brown & Wayne Garrett</p>	<p>Pupils will create careful, slow drawings with a sharp graphite pencil in sketchbooks, to the rhythm of a slow metronome. Pupils will be introduced to Wassily Kandinsky to become familiar with the idea that artists are often inspired by other art forms. Pupils will have time to respond to the work of Kandinsky by filling a couple of sketchbook pages with visual notes. They will demonstrate that they are developing the skills to process chunks of information visually and verbally.</p> <p>Pupils will demonstrate that they can listen to sounds and use mark making skills to make marks in response in 3 different exercises. They will discover that abstract mark making can capture the spirit of a piece of music. Pupils will bring what they have learnt about rhythm and mark making into observational drawing. Pupils will become familiar with another artist who responds visually to sounds using their whole body to make marks. Pupils will share their thoughts in a class discussion.</p> <p>Pupils will visually explore orchestras and musical instruments through film taking into consideration shape, colour, and composition. They will use line and careful looking in their sketchbooks to describe shapes and they will use different materials such as pastel crayons and pens. Sketchbooks will be full of different elements from the video. If there is time, children will be introduced to 'projection mapping'. They will share their thoughts and opinions in class conversation. Pupils will engage in an interactive activity to 'paint music' on the whiteboard.</p> <p>Pupils will use their imaginations to invent their own musical instruments. Pupils will draw and paint / make using recycled materials in their exploration.</p> <p>Pupils will display their work in a clear space and reflect on the half term, sharing what they like and what they would like to try again through peer discussion.</p> <p>Kandinsky</p>	<p>Pupils will look at the work of artists Inbal Leitner and Rosie Hurley to see how they use their sketchbooks to develop characters and refine ideas. They will respond by filling a couple of pages in their sketchbooks with visual notes about what they are thinking and seeing.</p> <p>Pupils will try three simple exercises to help them draw from life and explore how we might use exaggeration as a tool to help us convey the intention of our drawing. Pupils will use line and shape and will also create a watercolour wash painting to consolidate all that they have learnt in the session.</p> <p>Pupils will translate text into imagery using shape and line. They will use their sketchbooks to respond to the original stimulus before developing a sculptural character. Pupils will, re-interpret, and re-invent the character whilst exploring the qualities of different materials. They will explore character, narrative, and context to create their sculptures showing consideration for form, texture, material, construction, and colour.</p> <p>Pupils will display their work in a clear space and reflect on the half term, sharing what they like and what they would like to try again through peer discussion.</p> <p>Rosie Hurley, Inbal Leitner, Roald Dahl, Quentin Blake</p>	<p>Pupils will become familiar with the term 'plinth', and the concept behind it. They will explore a variety of artists who use plinths in their work. They will consider the context and presentation. Pupils will make visual notes in sketchbooks in response to what they see and think.</p> <p>Pupils will be introduced to a sculptor. They will respond through class discussion and visual notes in sketchbooks. Pupils will explore clay as a 'short term' construction material to make clay figurative sketches. Through this they will begin thinking about the distinctions between 'audience' and 'art'.</p> <p>Option 1: Pupils will curate, photograph and build their own pocket-sized gallery. They will be both artists and curators, engaging in conversations about "intention", "curation" and reflection.</p> <p>Option 2: Pupils will work in small teams to respond to the Fourth Plinth Challenge. They will use sketchbooks to come up with creative ideas about how they might use a "plinth" in the school.</p> <p>Option 3: Pupils will make dynamic figures which stand on a plinth, built up from one single wire. Pupils will think carefully about their positioning of the figures. They will make notes in their sketchbook about their decision making, including fabric swatches and diagrams.</p> <p>Option 4: Pupils will be given an imaginary billboard, what will they put on it?</p> <p>Pupils will display their work in a clear space and reflect on the half term, sharing what they like and what they would like to try again through peer discussion.</p> <p>Anthony Gormley, Yinka Shonibare, Thomas J Price</p>	<p>Pupils will be introduced to the role of a set designer working in theatre / animation. They will respond to the work of a designer through class / peer discussion as well as visually in their sketchbooks. They will make quick drawings of sculptures and the things that they see, including thoughts and feelings</p> <p>Pupils will draw, build, and paint. By the end of the 4 weeks, they will have built dramatic set in response to text. They will use sketchbooks throughout to come up with ideas, note thoughts, test materials, and reflect. Pupils will use charcoal to create expressive energetic drawings. They will consider the elements they might use within set design: the backdrop, the flats, the props and how the materials they used, and the way they used them, all help work together to build a sense of place.</p> <p>Pupils will be introduced to two set designers who make sets for animations. They will use their sketchbooks to become familiar with their chosen creative stimulus, to generate ideas and plan, consider structure and placement, and think about colour and texture before building their set.</p> <p>Pupils will display their work in a clear space and walk around the work as if they are in a gallery, sharing what they like about their own and each other's work.</p> <p>Pupils will work in pairs or teams to document their work using cameras or Ipads.</p> <p>Rae Smith, Fausto Melotti, Tiny Inventions, Rose Hurley, Gabby Savage-Dickson</p>	<p>Pupils will make an elastic band sketchbook using white paper and cardboard.</p> <p>They will identify and explore colour within the sketchbooks.</p> <p>Pupils will explore the work of the artists Olafur Eliasson, Yinka Ilori, Morag Myerscough, Liz West who use colour in their work. They will become familiar with how artists might respond in different ways to colour.</p> <p>Pupils will create visual responses to artists' work in their sketchbooks using paper, paint, ink, pastel to respond in their sketchbooks.</p> <p>Pupils are encouraged to guide their own exploration, making choices about how they want to use colour in their artwork.</p> <p>Option 1: Mini Light Boxes. Pupils will create models of sculptural installations exploring light, colour and form.</p> <p>Option 2: Sculptural Challenge: Colourful Walls. Pupils will create a design proposal for a colourful architectural installation exploring colour and form.</p> <p>Option 3: Sculptural Challenge: Colour, Light and Form. Pupils will create an idea for an installation which uses light, colour and form (and even maybe sound) to create an immersive experience for others.</p> <p>Olafur Eliasson, Yinka Ilori, Morag Myerscough, Liz West</p>
