The Deanery School Christian Ethos
Our School Motto – ‘Ad Majorem Dei Gloriam’
Translated this simply means ‘To the Greater Glory of God’.

Vision

We believe that everything we do is a faithful response to God’s faithfulness, shown to us through Jesus Christ. Our vision is to reflect God’s Glory in every season of life, in all aspects, from the little things, to the big.

Beliefs and Values

We believe that God’s heart is for his children to thrive in a happy, secure, and caring environment at the Deanery. It is an essential part of our Christian ethos that we thank God for how he has demonstrated peace, love, faith, joy, grace and hope to us. We seek to reflect these core values throughout all areas of life in the school.

We believe that education, strengthened by our faith, is the vehicle with which children can achieve their full potential.

School Culture

At the Deanery we aim to provide opportunities and experiences for everyone to learn and develop their social, creative and academic skills within a motivating and stimulating environment.

We aim to:

- Foster an environment that is enriched spiritually, morally, ethically and socially through the Christian faith.
- Value each child as unique, regardless of faith, ability, gender or ethnicity.
- Nurture children to be polite, respectful and considerate towards one another.
- Offer a range of opportunities and experiences to develop their confidence, self-esteem and independence.
- Encourage each child to fulfil their potential within all areas of the curriculum.
- Promote knowledge and understanding through a secure, stimulating and enriched environment.
- Create a broad educational experience that is enriched both morally and spiritually through partnership with staff, governors, parents, the local community, parishes of the Deanery and Birmingham Diocese.
- Enable each child to value themselves and have aspirations for the future.
- Recognise everyone’s place in the wider community.

1. Aims

The school aims to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the Initial Teacher Training and Early Career Framework (ITTECF)
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Make sure all staff understand their role in the ECT induction programme

2. Scope

This policy applies all ECTs who have started, but not completed, their induction period.

3. Legislation and statutory guidance

This policy is based on:

- The Department for Education's (DfE's) statutory guidance [Induction for early career teachers \(England\)](#)
- The [Initial Teacher Training and Early Career Framework \(ITTECF\)](#)
- [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)

The 'relevant standards' referred to below are the [Teachers' Standards](#).

This policy complies with our funding agreement and articles of association.

4. The ECT induction programme

The induction programme will be underpinned by the ITTECF, enabling ECTs to understand and apply the knowledge and skills set out in the ITTECF.

Prior to the ECT serving their induction, the headteacher and 'appropriate body' (see below) must agree that the post is suitable.

For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Only continuous employment of 1 term or more will count towards the induction period.

The programme is quality assured by Arthur Terry Teaching School Hub our 'appropriate body'.

4.1 Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will have qualified teacher status (QTS)
- Have an appointed induction mentor, who will have QTS
- Have a reduced timetable to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made of them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

4.2 Support for ECTs

We support ECTs with:

- Their designated induction tutor, who will provide day-to-day monitoring and support, and co-ordinate their assessments
- Their designated induction mentor, who will provide regular structured mentoring sessions and targeted feedback
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place termly (except in terms where formal assessment is held), at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice

4.3 Assessments of ECT performance

ECTs are exempt from normal appraisal procedures during their induction period.

Formal assessment meetings will take place in the final term of the ECT's first year (term 3) and the final term of their second year (term 6), and will be carried out by the ECT's induction tutor.

These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the ECT and the appropriate body.

After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, the induction tutor and the ECT.

A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

In the event that the ECT leaves this post after completing 1 term or more but before the next formal assessment would take place, the induction tutor or headteacher will complete an interim assessment to make sure that the ECT's progress and performance since the last assessment is captured.

4.4 At-risk procedures

If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards
- An effective support programme is put in place to help the ECT improve their performance

The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, for it to review.

If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or headteacher will:

- Continue to deliver process reviews
- Revise the ECT's objectives and support plan in line with the Teachers' Standards
- Share these with the ECT, headteacher and appropriate body

4.5 Capability procedures

In the event of serious capability concerns, the headteacher can decide to instigate capability procedures in line with our capability policy. They will inform the appropriate body when these procedures are instigated.

The ECT's induction process will continue alongside these capability procedures for as long as the ECT remains at the school, or the procedures are concluded.

5. Roles and responsibilities
