The Deanery School Christian Ethos

Our School Motto – ‘Ad Majorem Dei Gloriam’

Translated this simply means ‘To the Greater Glory of God’.

Vision

At the Deanery, our vision is rooted in the words of Luke 10:27 — to love God with all our heart, soul, strength and mind, and to love our neighbour as ourselves.

This shapes everything we do. We seek to respond faithfully to God’s love by nurturing a community where each person is valued, supported and encouraged to flourish. In every aspect of school life—both the everyday moments and the significant milestones—we aim to reflect God’s love through our actions, relationships and decisions.

Beliefs and Values

We believe that every child is precious to God and created to thrive. As a Christian school, we aim to model the love, compassion, respect and kindness taught by Jesus. Inspired by the call to “love your neighbour,” we seek to build a community marked by peace, hope, joy, grace and mutual care.

We believe that education, strengthened by faith and lived values, enables children to grow in confidence, character and understanding, fulfilling their God-given potential.

School Culture

At the Deanery, we strive to create a learning environment where all members of our community are supported to develop socially, spiritually, creatively and academically. Guided by Luke 10:27, we aim to show love for God and one another in the way we learn, work and live together.

We aim to:

- Foster a school community enriched spiritually, morally, ethically and socially through the Christian faith.
- Value every child as uniquely created and loved by God, regardless of faith, ability, gender or ethnicity.
- Nurture children to show respect, kindness and consideration—loving their neighbour as themselves.
- Provide experiences that develop confidence, resilience, independence and self-esteem.
- Support each child to fulfil their potential across the whole curriculum.
- Promote curiosity, knowledge and understanding in a secure, stimulating and enriched environment.
- Build strong partnerships with staff, governors, parents, the local community, parish churches and the Birmingham Diocese.
- Encourage each child to develop aspirations for their future and recognise their place in God’s world.
- Enable all members of our community to understand their responsibility and value within the wider community.

Online Safety Policy

1. Policy Aims

- This online safety policy has been written by Deanery CE Primary School. It takes into account the DfE statutory guidance 'Keeping Children Safe in Education' 2023, the updated Early Years and Foundation Stage 2024 and 'Working Together to Safeguard Children' 2023.
- The purpose of this online safety policy is to:
 - Safeguard and protect all members of Deanery CE Primary School's community online.
 - Identify approaches to educate and raise awareness of online safety throughout the community.
 - Enable all staff to work safely and responsibly, to role model positive behaviour online and to manage professional standards and practice when using technology.
 - Identify clear procedures to use when responding to online safety concerns.
- Deanery CE Primary School identifies that the issues classified within online safety are considerable, but can be broadly categorised into three areas of risk:
 - **Content:** being exposed to illegal, inappropriate or harmful material
 - **Contact:** being subjected to harmful online interaction with other users
 - **Conduct:** personal online behaviour that increases the likelihood of, or causes, harm.

2. Policy Scope

- Deanery CE Primary School acknowledges that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all learners and staff are protected from potential harm online.
- Deanery CE Primary School identifies that the internet and associated devices, such as computers, tablets, mobile phones and games consoles, are an important part of everyday life.
- Deanery CE Primary School ensures that learners are empowered to build resilience and to develop strategies to manage and respond to risk online.
- This policy applies to all staff including the governing body, leadership team, teachers, support staff, visitors, volunteers and other individuals who work for, or provide services on behalf of the setting (collectively referred to as "staff" in this policy) as well as learners, parents and carers.
- This policy applies to all access to the internet and use of technology, including personal devices, or where learners, staff or other individuals have been provided with setting issued devices for use off-site, such as a work laptops, tablets or mobile phones.

2.2 Links with other policies and practices

This policy links with several other policies, practices and action plans including:

- Anti-bullying policy
- Staff Code of Conduct policy
- Behaviour policy
- Safeguarding policy
- Curriculum policies, such as: Computing, Personal Social and Health Education (PSHE), Relationships and Sex Education (RSE)
- GDPR policy

3. Monitoring and Review

- Technology in this area evolves and changes rapidly. Deanery CE Primary School will review this policy annually.
- The policy will also be revised following any national or local policy requirements, any child protection concerns or any changes to the technical infrastructure
- We will regularly monitor internet use and evaluate online safety mechanisms to ensure that this policy is consistently applied.
- To ensure they have oversight of online safety, the Head Teacher will be informed of online safety concerns, as appropriate.
- The Headteacher will report on a regular basis to the governing body on online safety practice and incidents, including outcomes.
- Any issues identified via monitoring will be incorporated into our action planning.

4. Roles and Responsibilities

- The Designated Safeguarding Lead (DSL) (Mrs L McIntosh) has lead responsibility for online safety.
- Deanery CE Primary School recognises that all members of the community have important roles and responsibilities to play with regards to online safety.

4.1 The Senior Leadership team will:

- Ensure that online safety is viewed as a safeguarding issue and that practice is in line with national and local recommendations and requirements.
- Ensure there are appropriate and up-to-date policies regarding online safety; including acceptable use policies for staff, learners and parents/carers, which cover acceptable use of technology.
- Ensure that suitable and appropriate filtering and monitoring systems are in place and work with technical staff to monitor the safety and security of our systems and networks.
- Ensure that online safety is taught within computing lessons and embedded within a progressive curriculum, which enables all learners to develop an age-appropriate understanding of online safety.

- Ensure there are robust reporting channels for the community to access regarding online safety concerns, including internal, local and national support.
- Ensure that appropriate risk assessments are undertaken regarding the safe use of technology.
- Audit and evaluate online safety practice to identify strengths and areas for improvement.

4.2 The Designated Safeguarding Lead (DSL) will:

- Act as a named point of contact on all online safeguarding issues and liaise with other members of staff or other agencies, as appropriate.
- Ensure all members of staff receive regular, up-to-date and appropriate online safety training.
- Access regular and appropriate training and support to ensure they understand the unique risks associated with online safety and have the relevant knowledge and up to date required to keep learners safe online.
- Access regular and appropriate training and support to ensure they recognise the additional risks that learners with SEN and disabilities (SEND) face online.
- Keep up-to-date with current research, legislation and trends regarding online safety and communicate this with the community, as appropriate.
- Work with staff to coordinate participation in local and national events to promote positive online behaviour.
- Ensure that online safety is promoted to parents, carers and the wider community, through a variety of channels and approaches.
- Maintain records of online safety concerns, as well as actions taken, as part of the settings safeguarding recording mechanisms.
- Monitor online safety incidents to identify gaps and trends, and use this data to update the education response, policies and procedures.
- Report online safety concerns, as appropriate, to the leadership team and the Governing Body.
- Work with the leadership team to review and update online safety policies on a regular basis (at least annually) with stakeholder input.

4.3 It is the responsibility of all members of staff to:

- Read and adhere to the online safety policy and acceptable use policies.
- Take responsibility for the security of setting systems and the data they use or have access to.
- Model good practice when using technology and maintain a professional level of conduct in their use of technology.
- Embed online safety education in curriculum delivery.
- Have an awareness of a range of online safety issues and how they may be experienced by the children in their care.

- Identify online safety concerns and take appropriate action by following the settings safeguarding policies and procedures.
- Know when and how to escalate online safety issues, including signposting to appropriate support, internally and externally.
- Take personal responsibility for professional development in this area.

4.4 It is the responsibility of staff managing the technical environment to:

- Provide technical support and perspective to the DSL and leadership team, especially in the development and implementation of appropriate online safety policies and procedures.
- Implement appropriate security measures including as directed by the leadership team to ensure that the settings IT infrastructure/system is secure and not open to misuse or malicious attack, whilst allowing learning opportunities to be maximised.
- Ensure that our filtering policy is applied and updated on a regular basis; responsibility for its implementation is shared with the leadership team.
- Ensure that our monitoring systems are applied and updated on a regular basis; responsibility for its implementation is shared with the leadership team
- Ensure appropriate access and technical support to our filtering and monitoring systems, is given to the DSL, to enable them to take appropriate safeguarding action if/when required.

4.5 It is the responsibility of learners (at a level that is appropriate to their individual age and ability) to:

- Engage in age-appropriate online safety education opportunities.
- Read and adhere to the acceptable use policies.
- Respect the feelings and rights of others both on and offline.
- Take responsibility for keeping themselves and others safe online.
- Seek help from a trusted adult, if there is a concern online, and support others that may be experiencing online safety issues.

4.6 It is the responsibility of parents and carers to:

- Read the acceptable use policies and encourage their children to adhere to them.
- Support our online safety approaches by discussing online safety issues with their children and reinforcing appropriate and safe online behaviours at home.
- Role model safe and appropriate use of technology and social media.
- Abide by acceptable use policies.
- Identify changes in behaviour that could indicate that their child is at risk of harm online.
- Seek help and support from the setting, or other appropriate agencies, if they or their child encounter risk or concerns online.

- Take responsibility for their own awareness in relation to the risks and opportunities posed by new and emerging technologies.

5. Education and Engagement Approaches

5.1 Education and engagement with learners

- Deanery CE Primary School will establish and embed a progressive online safety curriculum to raise awareness and promote safe and responsible internet use amongst learners by:
 - Ensuring education regarding safe and responsible use precedes internet access.
 - Including online safety in Personal, Social, Health and Economic (PSHE), Relationships and Sex Education (RSE) and computing programmes of study.
 - Reinforcing online safety messages whenever technology or the internet is in use.
 - Educating learners in the effective use of the internet to research; including the skills of knowledge location, retrieval and evaluation.
 - Teaching learners to be critically aware of the materials they read and shown how to validate information before accepting its accuracy.
- Deanery CE Primary School will support learners to read and understand the acceptable use policies in a way which suits their age and ability by:
 - Informing learners that network and internet use will be monitored for safety and security purposes and in accordance with legislation.
 - Rewarding positive use of technology where appropriate.
 - Providing online safety education and training as part of the transition programme across the key stages and when moving between establishments.
 - Using support, such as external visitors, where appropriate, to complement and support our internal online safety education approaches.

5.2 Training and engagement with staff

We will:

- Provide and discuss the online safety policy and procedures with all members of staff as part of induction.
- Provide up-to-date and appropriate online safety training for all staff on a regular basis, with at least annual updates – to be included in beginning of the school year safeguarding training.
- This will cover the potential risks posed to learners (Content, Contact and Conduct) as well as our professional practice expectations.
- Recognise the expertise staff build by undertaking safeguarding training and managing safeguarding concerns and provide opportunities for staff to contribute to and shape online safety policies and procedures.

- Make staff aware that our IT systems are monitored, and that activity can be traced to individual users; staff will be reminded to behave professionally and in accordance with our policies when accessing our systems and devices.
- Make staff aware that their online conduct outside of the setting, including personal use of social media, could have an impact on their professional role and reputation (see also Low Level Concerns Policy.)
- Highlight useful educational resources and tools which staff should use, according to the age and ability of the learners.
- Ensure all members of staff are aware of the procedures to follow regarding online safety concerns affecting learners, colleagues or other members of the community.

5.3 Awareness and engagement with parents and carers

- Deanery CE Primary School recognises that parents and carers have an essential role to play in enabling children and young people to become safe and responsible users of the internet and associated technologies.
- We will build a partnership approach to online safety with parents and carers by:
 - Providing information and guidance on online safety in a variety of formats.
 - This will include offering specific online safety awareness training and highlighting online safety at other events such as parent evenings, transition events, fetes and sports days.
 - Drawing their attention to the online safety policy and expectations in newsletters, letters, our prospectus and on our website.
 - Requesting that they read online safety information as part of joining our community, for example, within our home school agreement.
 - Requiring them to read our acceptable use policies and discuss the implications with their children.

6. Reducing Online Risks

- Deanery CE Primary School recognises that the internet is a constantly changing environment with new apps, devices, websites and material emerging at a rapid pace.
- We will:
 - Regularly review the methods used to identify, assess and minimise online risks.
 - Examine emerging technologies for educational benefit and undertake appropriate risk assessments before use in the setting is permitted.
 - Ensure that appropriate filtering and monitoring is in place and take all reasonable precautions to ensure that users can only access appropriate material.
 - Due to the global and connected nature of the internet, it is not possible to guarantee that unsuitable material cannot be accessed via our computers or devices.
- All members of the community are made aware of our expectations regarding safe and appropriate behaviour online and the importance of not posting any content, comments, images or videos which could cause harm, distress or offence to members of the community.

This is clearly outlined in our acceptable use policies and highlighted through a variety of education and training approaches.

7. Safer Use of Technology

7.1 Classroom Use

- Deanery CE Primary School uses a wide range of technology. This includes access to:
 - Computers, laptops and iPads
 - Internet which may include search engines and educational websites
 - Seesaw
 - Email (Office 365)
 - File Collaboration (Google Drive)
 - A variety of software (local and online)
- All setting owned devices will be used in accordance with our acceptable use policies and with appropriate safety and security measures in place.
- Members of staff will always evaluate websites, tools and apps fully before use in the classroom or recommending for use at home.
- The setting will use age-appropriate search tools following an informed risk assessment, to identify which tool best suits the needs of our community.
- We will ensure that the use of internet-derived materials, by staff and learners complies with copyright law and acknowledge the source of information.
- Supervision of learners will be appropriate to their age and ability.
 - **Early Years Foundation Stage and Key Stage 1**
 - Access to the internet will be by adult demonstration, with occasional directly supervised access to specific and approved online materials, which supports the learning outcomes planned for the learners age and ability.
 - **Key Stage 2**
 - Learners will use age-appropriate search engines and online tools.
 - Learners will be directed by the teacher to online materials and resources which support the learning outcomes planned for the learners age and ability.

7.2 Managing Internet Access

- All staff, learners and visitors will read and sign an acceptable use policy before being given access to our computer system, IT resources or internet.

7.3 Filtering and Monitoring

7.3.1 Decision Making

- Deanery CE Primary School leadership team have ensured that our setting has age and ability appropriate filtering and monitoring in place, to limit learner's exposure to online risks.

- The leadership team are aware of the need to prevent “over blocking”, as that may unreasonably restrict what can be taught, with regards to online activities and safeguarding.
- Our decision regarding filtering and monitoring has been informed by a risk assessment, considering our specific needs and circumstances.
- Changes to the filtering and monitoring approach will be risk assessed by staff with educational and technical experience and, where appropriate, with consent from the leadership team; all changes to the filtering policy are logged and recorded.
- The leadership team will ensure that regular checks are made to ensure that the filtering and monitoring methods are effective and appropriate.
- All members of staff are aware that they cannot rely on filtering and monitoring alone to safeguard learners; effective classroom management and regular education about safe and responsible use is essential.

7.3.2 Filtering

- Education broadband connectivity is provided through Wave 9
- We use Wave 9’s (Sophos) in-built filtering which blocks sites which can be categorised as: pornography, racial hatred, extremism, gaming and sites of an illegal nature.
- We work with Wave 9 to ensure that our filtering policy is continually reviewed.
- If learners discover unsuitable sites, they will be required to:
 - The member of staff will report the concern (including the URL of the site if possible) to the DSL (or deputy) and/or technical staff.
 - The breach will be recorded and escalated as appropriate.
 - Parents/carers will be informed of filtering breaches involving their child.
- Any material believed to be illegal will be reported immediately to the appropriate agencies, such as West Midlands Police and/or CEOP.

7.3.4 Monitoring

- We will appropriately monitor internet use on all setting owned or provided internet enabled devices. This is achieved by using Classroom.cloud to monitor internet usage.
- If a concern is identified via monitoring approaches, the leadership team will speak to the student/member of staff involved and if necessary, report the situation to parents/police.
- All users will be informed that use of our systems can be monitored and that all monitoring will be in line with data protection, human rights and privacy legislation.

7.4 Managing Personal Data Online

- Personal data will be recorded, processed, transferred and made available online in accordance with General Data Protection Regulations and Data Protection legislation.

7.5 Security and Management of Information Systems

- We take appropriate steps to ensure the security of our information systems, including:
 - Virus/Malware protection being updated regularly.
 - The recommendation - all data accessed on or off site should be via Google Drive, offering encryption and redundancy as standard
 - Google Drive storage systems must be encrypted.
 - Secure remote access systems must have appropriately complex passwords.
 - Not downloading unapproved software to work devices or opening unfamiliar email attachments.
 - The appropriate use of user logins and passwords to access our network.
 - Specific user logins and passwords will be enforced for all except EYFS, Reception and Nursery children.
 - All users are expected to log off or lock their screens/devices if systems are unattended.

7.5.1 Password policy

- All members of staff will have their own unique username and private passwords to access our systems; members of staff are responsible for keeping their password private.
- From Year R, all learners are provided with their own unique username and passwords to access our systems; learners are responsible for keeping their password private.
- We require all users to:
 - Use strong passwords for access into our system.
 - Change their passwords when requested by the system.
 - Always keep their password private; users must not share it with others or leave it where others can find it.
 - Not to login as another user at any time.

7.6 Managing the Safety of our Website

- We will ensure that information posted on our website meets the requirements as identified by the Department for Education (DfE).
- We will ensure that our website complies with guidelines for publications including: accessibility; data protection; respect for intellectual property rights; privacy policies and copyright.
- Staff or learner's personal information will not be published on our website; the contact details on the website will be our setting address, email and telephone number.
- The administrator account for our website will be secured with an appropriately strong password.
- We will post appropriate information about safeguarding, including online safety, on our website for members of the community.

7.7 Publishing Images and Videos Online

- We will ensure that all images and videos shared online are used in accordance with the associated policies, including (but not limited to) the: GDPR policy, acceptable use policies, codes of conduct, social media policy.

7.8 Managing Email

- Access to our email systems will always take place in accordance with GDPR legislation and in line with other policies, including acceptable use policies and the code of conduct policy.
 - The forwarding of any chain messages/emails is not permitted.
 - Spam or junk mail will be blocked and reported to the email provider.
 - Any electronic communication which contains sensitive or personal information will only be sent using secure and encrypted email.
 - Setting email addresses and other official contact details will not be used for setting up personal social media accounts.
- Members of the community will immediately tell the leadership team if they receive offensive communication, and this will be recorded in our safeguarding files/records.
- Excessive social email use can interfere with teaching and learning and will be restricted; access to external personal email accounts may be blocked on site.

7.8.1 Staff email

- The use of personal email addresses by staff for any official setting business is not permitted.
- All members of staff are provided with an email address to use for all official communication.
- Emails to parents should be sent via enquiry@deanery.bham.sch.uk and not via personal work emails
- Members of staff are encouraged to have an appropriate work life balance when responding to emails.

7.8.2 Learner email

- Learners will use provided email accounts for educational purposes.
- Learners will sign an acceptable use policy and will receive education regarding safe and appropriate email etiquette before access is permitted.

7.9 Educational use of Videoconferencing and/or Webcams

- Deanery CE Primary School recognise that videoconferencing can be a challenging activity but brings a wide range of learning benefits.
 - All videoconferencing equipment will be disabled when not in use and will not be set to auto-answer.

- Videoconferencing contact details will not be posted publicly.
- Staff will ensure that external videoconferencing opportunities and/or tools are suitably risk assessed and will ensure that accounts and systems used to access these events are safe and secure.

7.9.1 Users

- Learners will ask permission from a member of staff before making or answering a video conference call or message.
- Video conferencing will take place via official and approved communication channels following a robust risk assessment.
- Only key administrators will be given access to videoconferencing administration areas or remote-control pages.
- The unique log on and password details for the videoconferencing services will only be issued to members of staff and should be kept securely, to prevent unauthorised access.

7.9.2 Content

- When recording a videoconference lesson, it should be made clear to all parties at the start of the conference and written permission will be obtained from all participants; the reason for the recording must be given and recorded material will be stored securely.
- If third party materials are included, we will check that recording is permitted to avoid infringing the third-party intellectual property rights.
- We will establish dialogue with other conference participants before taking part in a videoconference; if it is a non-educational site, staff will check that the material they are delivering is appropriate for the learners.

7.10 Management of Seesaw

- Deanery CE Primary School uses Seesaw as its official means of storing pupil work online.
- Leaders and staff will regularly monitor the usage of Seesaw including message/communication tools and publishing facilities.
- Only current members of staff will have access to Seesaw.
- When staff or learners leave the setting, their account will be disabled
- Learners and staff will be advised about acceptable conduct and use when using Seesaw.
- All users will be mindful of copyright and will only upload appropriate content onto Seesaw.
- Any concerns about content on Seesaw will be recorded and dealt with in the following ways:
 - The user will be asked to remove any material deemed to be inappropriate or offensive.
 - If the user does not comply, the material will be removed by the site administrator.
 - Access to Seesaw for the user may be suspended.

- The user will need to discuss the issues with a member of leadership before reinstatement.
- A learner's parents/carers may be informed.
- If the content is illegal, we will respond in line with existing child protection procedures.
- Learners may require editorial approval from a member of staff. This may be given to the learner to fulfil a specific aim and may have a limited time frame.
- See also: 'Seesaw - Usage Protocol and Guidance'

7.11- Removable Devices

All removable devices will not be used at Deanery Primary School.

A removable device is classed as -

- CD/DVD Optical Drive
- Floppy Drive
- USB Flash or USB Hard Drive

The above applies to all Staff and Pupils.

This in turn would prevent -

- Viruses/Malware originating from a USB Flash or USB Hard Drive
- Staff using unencrypted removable devices
- Staff losing a removable device
- Staff destroying a removable device, which in turn can also result in lost data
- Staff should use the Google Drive App (on all iPads) to upload pictures and videos securely, rather than a USB cable

8. Social Media

8.1 Expectations

- The expectations regarding safe and responsible use of social media applies to all members of Deanery CE Primary School community.
- The term social media may include (but is not limited to): blogs; wikis; social networking sites; forums; bulletin boards; online gaming; apps; video/photo sharing sites; chatrooms and instant messenger.
- All members of Deanery CE Primary School community are expected to engage in social media in a positive, safe and responsible manner.
- All members of Deanery CE Primary School community are advised not to publish specific and detailed private thoughts, concerns, pictures or messages on any social media services, especially content that may be considered threatening, hurtful or defamatory to others.
- We will control learner and staff access to social media whilst using setting provided devices and systems on site.
- The use of social media during setting hours for personal use is not permitted.

- Use of social media during setting hours or whilst using setting devices may result in disciplinary or legal action and/or removal of internet facilities.
- Concerns regarding the online conduct of any member of Deanery CE Primary School community on social media, should be reported to the DSL and will be managed in accordance with our anti-bullying, allegations against staff, behaviour and child protection policies.

8.2 Staff Personal Use of Social Media

- The safe and responsible use of social networking, social media and personal publishing sites will be discussed with all members of staff as part of staff induction and will be revisited and communicated via regular staff training opportunities.
- Safe and professional behaviour will be outlined for all members of staff (including volunteers) as part of our code of conduct/behaviour policy as part of acceptable use policy.

Reputation

- All members of staff are advised that their online conduct on social media can have an impact on their role and reputation within the setting.
 - Civil, legal or disciplinary action may be taken if staff are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- All members of staff are advised to safeguard themselves and their privacy when using social media sites. Advice will be provided to staff via staff training and by sharing appropriate guidance and resources on a regular basis. This will include (but is not limited to):
 - Setting the privacy levels of their personal sites.
 - Being aware of location sharing services.
 - Opting out of public listings on social networking sites.
 - Logging out of accounts after use.
 - Keeping passwords safe and confidential.
 - Ensuring staff do not represent their personal views as that of the setting.
- Members of staff are encouraged not to identify themselves as employees of Deanery CE Primary School on their personal social networking accounts; this is to prevent information on these sites from being linked with the setting, and to safeguard the privacy of staff members.
- All members of staff are encouraged to carefully consider the information, including text and images, they share and post online and to ensure that their social media use is compatible with their professional role and is in accordance our policies and the wider professional and legal framework.
- Information and content that staff members have access to as part of their employment, including photos and personal information about learners and their family members or colleagues will not be shared or discussed on social media sites.
- Members of staff will notify the Leadership Team immediately if they consider that any content shared on social media sites conflicts with their role.

Communicating with learners and parents and carers

- All members of staff are advised not to communicate with or add as 'friends' any current or past learners or their family members via any personal social media sites, applications or profiles.
 - Any pre-existing relationships or exceptions that may compromise this, will be discussed with the Headteacher.
 - If ongoing contact with learners is required once they have left the setting, members of staff will be expected to use official setting provided communication tools.
- Staff will not use personal social media accounts to contact learners or parents, nor should any contact be accepted, except in circumstance whereby prior approval has been given by the Headteacher.
- Any communication from learners and parents received on personal social media accounts will be reported to the Headteacher.

8.3 Learners Personal Use of Social Media

- Safe and appropriate use of social media will be taught to learners as part of an embedded and progressive education approach, via age appropriate sites and resources.
- We are aware that many popular social media sites state that they are not for children under the age of 13, therefore we will not create accounts specifically for learners under this age.
- Any concerns regarding learners use of social media will be dealt with in accordance with existing policies, including anti-bullying and behaviour.
 - Concerns will be shared with parents/carers as appropriate, particularly when concerning underage use of social media sites, games or tools.
- Learners will be advised:
 - To consider the benefits and risks of sharing personal details on social media sites which could identify them and/or their location.
 - To only approve and invite known friends on social media sites and to deny access to others by making profiles private.
 - Not to meet any online friends without a parent/carer or other responsible adult's permission and only when a trusted adult is present.
 - To use safe passwords.
 - To use social media sites which are appropriate for their age and abilities.
 - How to block and report unwanted communications.
 - How to report concerns both within the setting and externally.

8.4 Official Use of Social Media

- Deanery CE Primary School official social media channels are:
 - @deaneryprimary on X
 - <https://vimeo.com/ictdeanery>

- The official use of social media sites only takes place with clear educational or community engagement objectives, with specific intended outcomes.
 - The official use of social media as a communication tool has been approved by the Headteacher.
- Official social media channels have been set up as distinct and dedicated social media sites or accounts for educational or engagement purposes only.
 - Staff use setting provided email addresses to register for and manage any official social media channels.
 - Official social media sites are suitably protected and, where possible, linked on our website.
- Official social media use will be conducted in line with existing policies, including: anti-bullying, GDPR, confidentiality and child protection.
 - All communication on official social media platforms will be clear, transparent and open to scrutiny.
- Parents/carers and learners will be informed of any official social media use, along with expectations for safe use and action taken to safeguard the community.
 - Only social media tools which have been risk assessed and approved as suitable for educational purposes will be used.
 - Any official social media activity involving learners will be moderated.
- Parents and carers will be informed of any official social media use with learners; written parental consent will be obtained, as required.
- We will ensure that any official social media use does not exclude members of the community who are unable or unwilling to use social media channels.

Staff expectations

- Members of staff who follow and/or like our official social media channels will be advised to use dedicated professional accounts, where possible, to avoid blurring professional boundaries.
- If members of staff are participating in online social media activity as part of their capacity as an employee of the setting, they will:
 - Sign our social media acceptable use policy.
 - Always be professional and aware they are an ambassador for the setting.
 - Always be responsible, credible, fair and honest, and consider how the information being published could be perceived or shared.
 - Always act within the legal frameworks they would adhere to within the workplace, including: libel, defamation, confidentiality, copyright, data protection and equalities laws.
 - Ensure that they have appropriate consent before sharing images on the official social media channel.
 - Not disclose information, make commitments or engage in activities on behalf of the setting, unless they are authorised to do so.
 - Not engage with any direct or private messaging with current, or past, learners, parents and carers.

- Inform the Headteacher of any concerns, such as criticism, inappropriate content or contact from learners.

9. Use of Personal Devices and Mobile Phones

- Deanery CE Primary School recognises that personal communication through mobile technologies is an accepted part of everyday life for learners, staff and parents/carers, but technologies need to be used safely and appropriately within the setting.

9.1 Expectations

- All use of personal devices (including but not limited to; tablets and games consoles) and mobile phones will take place in accordance with the law and other appropriate policies, such as anti-bullying, behaviour, safeguarding and GDPR.
- Electronic devices of any kind that are brought onto site are the responsibility of the user.
 - All members of Deanery CE Primary School community are advised to take steps to protect their mobile phones or devices from loss, theft or damage; we accept no responsibility for the loss, theft or damage of such items on our premises.
 - All members of Deanery CE Primary School community are advised to use passwords/pin numbers to ensure that unauthorised calls or actions cannot be made on their phones or devices; passwords and pin numbers should be kept confidential and mobile phones and personal devices should not be shared.
- Mobile phones and personal devices are not permitted to be used in areas where children can be present.
- The sending of abusive or inappropriate messages or content via mobile phones or personal devices is forbidden by any member of the community; any breaches will be dealt with as part of our behaviour policy.
- Smart Watches are only to be worn and used as a watch when within the setting.
- All members of Deanery CE Primary School community are advised to ensure that their mobile phones and personal devices do not contain any content which may be offensive, derogatory or would otherwise contravene our behaviour or child protection policies.

9.2 Staff Use of Personal Devices and Mobile Phones

- Members of staff will ensure that use of personal phones and devices takes place in accordance with the law, as well as, relevant policy and procedures, such as: GDPR, safeguarding and acceptable use.
- Staff will be advised to:
 - Keep mobile phones and personal devices in a safe and secure place during lesson time.

- Keep mobile phones and personal devices switched off or switched to 'silent' mode during lesson times.
- Ensure that Bluetooth or other forms of communication (such as 'airdrop') are hidden or disabled during lesson times.
- Not use personal devices during teaching periods, unless permission has been given by the Headteacher such as in emergency circumstances.
- Members of staff are not permitted to use their own personal phones or devices for contacting learners or parents and carers.
 - Any pre-existing relationships, which could undermine this, will be discussed with the Headteacher.
- Staff will not use personal devices:
 - To take photos or videos of learners and will only use work-provided equipment for this purpose.
 - Directly with learners and will only use work-provided equipment during lessons/educational activities.
- If a member of staff breaches our policy, action will be taken in line with our staff code of conduct policy
 - If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence, the police will be contacted.

9.3 Learners Use of Personal Devices and Mobile Phones

- Learners will be educated regarding the safe and appropriate use of personal devices and mobile phones and will be made aware of boundaries and consequences.
- Deanery CE Primary School allow children in upper key stage two to bring mobile phones in to school. The school expects learners' mobile phones to be switched off and locked away in a designated drawer. Learners will deposit their devices in the drawer as soon as they enter the classroom and will collect them at 3:30pm.
- If a learner needs to contact his/her parents or carers they must discuss the issue with the class teacher who will decide if they can visit the office to ask for a message to be passed on.
 - Parents are advised to contact their child via the setting office.
- Mobile phones and personal devices must not be taken into examinations.
 - Learners found in possession of a mobile phone or personal device during an exam will be reported to the appropriate examining body. This may result in the withdrawal from either that examination or all examinations.
- If a learner breaches the policy, the phone or device will be confiscated and will be held in a secure place.
 - Staff may confiscate a learner's mobile phone or device if they believe it is being used to contravene our behaviour or bullying policy or could contain youth produced sexual imagery (sexting).
 - Learners mobile phones or devices may be searched by a member of the leadership team, with the consent of the learner or a parent/ carer.

- Mobile phones and devices that have been confiscated will be released to parents or carers at the end of the school day.
- If there is suspicion that material on a learner's personal device or mobile phone may be illegal or may provide evidence relating to a criminal offence, the device will be handed over to the police for further investigation.

9.4 Visitors' Use of Personal Devices and Mobile Phones

- Parents/carers and visitors (including volunteers and contractors) should ensure that devices are switched off and kept out of sight in a secure location.
- We will ensure appropriate signage and information is displayed and provided to inform parents, carers and visitors of expectations of use.
- Visitors (including volunteers and contractors) who are on site for a regular or extended period will use their mobile phones and personal devices in accordance with our acceptable use policy.
- Members of staff are expected to challenge visitors if they have concerns and will always inform the Headteacher of any breaches of our policy.

10. Responding to Online Safety Incidents and Concerns

- All members of the community will be made aware of the reporting procedure for online safety concerns, including: breaches of filtering, youth produced sexual imagery (sexting), cyberbullying and illegal content.
- All members of the community must respect confidentiality and the need to follow the official procedures for reporting concerns.
 - Learners, parents and staff will be informed of our complaints procedure and staff will be made aware of the whistleblowing procedure.
- We require staff, parents, carers and learners to work in partnership to resolve online safety issues.
- After any investigations are completed, we will debrief, identify lessons learnt and implement any policy or curriculum changes as required.
- If we are unsure how to proceed with an incident or concern, the Headteacher will seek advice from the Education Safeguarding Service.
- Where there is suspicion that illegal activity has taken place, we will contact the Education Safeguarding Service or West Midlands Police using 101, or 999 if there is immediate danger or risk of harm.
- If an incident or concern needs to be passed beyond our community (for example if other local settings are involved or the public may be at risk), the Headteacher will speak with West Midlands Police and/or the Education Safeguarding Service first to ensure that potential investigations are not compromised.

10.1 Concerns about Learners Welfare

- The Headteacher will be informed of any online safety incidents involving safeguarding or child protection concerns.
 - The Headteacher will record these issues in line with our child protection policy.
- The Headteacher will ensure that online safety concerns are escalated and reported to relevant agencies.
- We will inform parents and carers of online safety incidents or concerns involving their child, as and when required.

10.2 Staff Misuse

- Any complaint about staff misuse will be referred to the Headteacher in accordance with the allegations policy.
- Any allegations regarding a member of staff's online conduct will be discussed with the Headteacher
- Appropriate action will be taken in accordance with our staff behaviour policy/code of conduct.

11. Procedures for Responding to Specific Online Incidents or Concerns

11.1 Online Sexual Violence and Sexual Harassment between Children

- Our setting has accessed and understood "[Sexual violence and sexual harassment between children in schools and colleges](#)" (2018) guidance and part 5 of 'Keeping children safe in education' 2018.
- Deanery CE Primary School recognises that sexual violence and sexual harassment between children can take place online. Examples may include; non-consensual sharing of sexual images and videos, sexualised online bullying, online coercion and threats, unwanted sexual comments and messages on social media, and online sexual exploitation.
 - Full details of how we will respond to concerns relating to sexual violence and sexual harassment between children can be found within our safeguarding and anti-bullying policies.
- Deanery CE Primary School recognises that the internet brings the potential for the impact of any sexual violence and sexual harassment concerns to extend further than the local community, and for a victim or alleged perpetrator to become marginalised and excluded by online communities.
- Deanery CE Primary School also recognises the potential for repeat victimisation in the future if abusive content continues to exist somewhere online.

- Deanery CE Primary School will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of online sexual violence and sexual harassment between children by implementing a range of age and ability appropriate educational methods as part of our PSHE and RSE curriculum.
- We will ensure that all members of the community are aware of sources of support regarding online sexual violence and sexual harassment between children.
- We will respond to concerns regarding online sexual violence and sexual harassment between children, regardless of whether the incident took place on our premises or using our equipment.
- If made aware of online sexual violence and sexual harassment, we will:
 - Immediately notify the DSL and act in accordance with our safeguarding policy.
 - Provide the necessary safeguards and support for all learners involved, such as offering specific advice on blocking, reporting and removing online content, as well as providing appropriate counselling/pastoral support.
 - Implement appropriate sanctions in accordance with our behaviour policy.
 - Inform parents and carers, if appropriate, about the incident and how it is being managed.
 - If appropriate, make a referral to partner agencies, such as Children's Social Work Service and/or the Police.
 - If the concern involves children and young people at a different educational setting, work in partnership with other DSLs to ensure appropriate safeguarding action is taken in the wider local community.
 - If a criminal offence has been committed, the DSL will discuss this with West Midlands Police first to ensure that investigations are not compromised.
 - Review the handling of any incidents to ensure that best practice was implemented, and policies/procedures are appropriate.

11.2 Youth Produced Sexual Imagery (“Sexting”)

- Deanery CE Primary School recognises youth produced sexual imagery (known as “sexting”) as a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy).
- We will follow the advice as set out in the non-statutory UKCCIS guidance: [‘Sexting in schools and colleges: responding to incidents and safeguarding young people’](#) and [KSCB](#) guidance: “Responding to youth produced sexual imagery”.
- Deanery CE Primary School will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of ‘sexting’ by implementing preventative approaches, via a range of age and ability appropriate educational methods.
- We will ensure that all members of the community are aware of sources of support regarding youth produced sexual imagery.
- We will respond to concerns regarding youth produced sexual imagery, regardless of whether the incident took place on site or using setting provided or personal equipment.
- We will not:

- View any images suspected of being youth produced sexual imagery, unless there is no other possible option, or there is a clear need or reason to do so.
 - If it is deemed necessary, the image will only be viewed by the DSL and their justification for viewing the image will be clearly documented.
- Send, share, save or make copies of content suspected to be an indecent image of a child (i.e. youth produced sexual imagery) and will not allow or request learners to do so.
- If made aware of an incident involving the creation or distribution of youth produced sexual imagery, we will:
 - Act in accordance with our safeguarding policies.
 - Ensure the DSL responds in line with the [‘Sexting in schools and colleges: responding to incidents and safeguarding young people’](#) guidance.
 - Store the device securely.
 - If an indecent image has been taken or shared on our network or devices, we will act to block access to all users and isolate the image.
 - Carry out a risk assessment which considers any vulnerability of learners involved; including carrying out relevant checks with other agencies.
 - Inform parents and carers, if appropriate, about the incident and how it is being managed.
 - Make a referral to Children’s Social Work Service and/or the Police, as deemed appropriate in line with the UKCCIS : [‘Sexting in schools and colleges: responding to incidents and safeguarding young people’](#) guidance.
 - Provide the necessary safeguards and support for learners, such as offering counselling or pastoral support.
 - Implement appropriate sanctions in accordance with our behaviour policy but taking care not to further traumatise victims where possible.
 - Consider the deletion of images in accordance with the UKCCIS: [‘Sexting in schools and colleges: responding to incidents and safeguarding young people’](#) guidance.
 - Images will only be deleted once the DSL has confirmed that other agencies do not need to be involved; and are sure that to do so would not place a child at risk or compromise an investigation.
 - Review the handling of any incidents to ensure that best practice was implemented; the leadership team will also review and update any management procedures, where necessary.

11.3 Online Child Sexual Abuse and Exploitation (including child criminal exploitation)

- Deanery CE Primary School will ensure that all members of the community are aware of online child sexual abuse, including: exploitation and grooming; the consequences; possible approaches which may be employed by offenders to target children and how to respond to concerns.

- Deanery CE Primary School recognises online child sexual abuse and exploitation (including criminal exploitation) as a safeguarding issue and, as such, all concerns will be reported to and dealt with by the DSL.
- We will implement preventative approaches for online child sexual abuse and exploitation (including criminal exploitation) via a range of age and ability appropriate education for learners, staff and parents/carers.
- We will ensure that all members of the community are aware of the support available regarding online child sexual abuse and exploitation (including criminal exploitation), both locally and nationally.
 - We will ensure that the 'Click CEOP' report button used to report online child sexual abuse is visible and available to learners and other members of our community on our school website.
- If made aware of incident involving online child sexual abuse and exploitation (including criminal exploitation), we will:
 - Act in accordance with our safeguarding policy.
 - If appropriate, store any devices involved securely.
 - Make a referral to Children's Social Work Service (if required/appropriate) and immediately inform West Midlands Police via 101, or 999 if a child is at immediate risk.
 - Carry out a risk assessment which considers any vulnerabilities of learner(s) involved (including carrying out relevant checks with other agencies).
 - Inform parents/carers about the incident and how it is being managed.
 - Provide the necessary safeguards and support for learners, such as, offering counselling or pastoral support.
 - Review the handling of any incidents to ensure that best practice is implemented; leadership team will review and update any management procedures, where necessary.
- We will respond to concerns regarding online child sexual abuse and exploitation (including criminal exploitation), regardless of whether the incident took place on our premises or using setting provided or personal equipment.
 - Where possible, learners will be involved in decision making and if appropriate, will be empowered to report concerns such as via the Click CEOP report:
www.ceop.police.uk/safety-centre/
- If we are unclear whether a criminal offence has been committed, the DSL will obtain advice immediately through the Education Safeguarding Service and/or West Midlands Police.
- If made aware of intelligence or information which may relate to child sexual exploitation (on or offline), it will be passed through to the [Child Sexual Exploitation Team](#) (CSET) by the DSL.
- If learners at other setting are believed to have been targeted, the DSL (or deputy) will seek support from West Midlands Police and/or the Education Safeguarding Service first to ensure that potential investigations are not compromised.

11.4 Indecent Images of Children (IIOC)

- Deanery CE Primary School will ensure that all members of the community are made aware of the possible consequences of accessing Indecent Images of Children (IIOC).
- We will respond to concerns regarding IIOC on our equipment and/or personal equipment, even if access took place off site.
- We will seek to prevent accidental access to IIOC by ensuring our internet service provider (E2BN) implements appropriate filtering, firewalls and anti-spam software.
- If we are unclear if a criminal offence has been committed, the DSL will obtain advice immediately through West Midlands Police and/or the Education Safeguarding Service.
- If made aware of IIOC, we will:
 - Act in accordance with our safeguarding policy.
 - Store any devices involved securely.
 - Immediately inform appropriate organisations, such as the police.
- If made aware that a member of staff or a learner has been inadvertently exposed to indecent images of children, we will:
 - Ensure that the DSL is informed.
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk.
 - Ensure that any copies that exist of the image, for example in emails, are deleted.
 - Report concerns, as appropriate to parents and carers.
- If made aware that indecent images of children have been found on the setting provided devices, we will:
 - Ensure that the DSL is informed.
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk.
 - Ensure that any copies that exist of the image, for example in emails, are deleted.
 - Inform the police via 101 (999 if there is an immediate risk of harm) and Children's Social Work Service (as appropriate).
 - Only store copies of images (securely, where no one else has access to them and delete all other copies) at the request of the police only.
 - Report concerns, as appropriate to parents and carers.
- If made aware that a member of staff is in possession of indecent images of children on setting provided devices, we will:
 - Ensure that the Headteacher is informed in line with our managing allegations against staff policy.
 - Inform relevant organisations in accordance with our managing allegations against staff policy.
 - Quarantine any devices until police advice has been sought.

11.5 Cyberbullying

- Cyberbullying, along with all other forms of bullying, will not be tolerated at Deanery CE Primary School
- Full details of how we will respond to cyberbullying are set out in our anti-bullying policy.

11.6 Online Hate

- Online hate content, directed towards or posted by, specific members of the community will not be tolerated at Deanery CE Primary School and will be responded to in line with existing policies, including anti-bullying and behaviour.
- All members of the community will be advised to report online hate in accordance with relevant policies and procedures.
- The Police will be contacted if a criminal offence is suspected.
- If we are unclear on how to respond, or whether a criminal offence has been committed, the DSL will obtain advice through the Education Safeguarding Service and/or West Midlands Police.

11.7 Online Radicalisation and Extremism

- We will take all reasonable precautions to ensure that learners and staff are safe from terrorist and extremist material when accessing the internet on site with the use of our filtering system.
- If we are concerned that a child or parent/carer may be at risk of radicalisation online, the DSL will be informed immediately, and action will be taken in line with our safeguarding policy.
- If we are concerned that member of staff may be at risk of radicalisation online, the Headteacher will be informed immediately, and action will be taken in line with safeguarding and allegations policies.
