Admissions Policy

General

Aim

The principal aim of the Admission Policy is to maintain the key character of a Church of England Christian school whilst meeting the needs of the wider community. The school was built in 1980 for the children of families attending church within the Deanery of Sutton Coldfield and as such will be a priority within our admission criteria. We aim to meet parental preference wherever possible and to promote social inclusion by welcoming all members of the community regardless of gender, disability or ethnic origin within the boundaries of our admission criteria.

We offer a broad and balanced curriculum, which is committed to the spiritual, moral, social and cultural development of the child within the framework of the 'National Curriculum'.

School Beliefs and Values

At the Deanery we believe that children thrive in a happy, secure and caring environment. It is an essential part of our Christian ethos that peace, love, faith, joy, grace and hope should be the core values that everyone respect and agree.

We believe that education is the vehicle with which children can develop their social, creative and academic skills, to achieve their full potential. A full copy of the School Ethos and Values policy is available in the school office.

Introduction

This policy has been prepared by the Governing Body in consultation with the Birmingham Diocesan Board of Education and agreed with the relevant admissions authorities that are statutorily required to be consulted under the Education (Determination of Admission Arrangements) Regulations 1999. Our admissions process is part of the Local Authority co-ordinated scheme.

The school's admission number is 60 full-time places in each year group. The Nursery offers 52 part-time places in line with Government funding. Where the number of applications is lower than these numbers, all applicants will be admitted. If there are more applications than places available then all applications will be considered by designated members of the Admissions Committee of the Governing Body.

The Governing Body of the school (not Birmingham Local Authority (LA)) is responsible for deciding the Admissions Criteria to the school. This is renewed on an annual basis and Birmingham LA is notified for distribution in their Admissions Booklet.

Application procedures

Parents should apply as follows:

1. Nursery entry

- *It is the Governors' policy to admit children at one point of entry in the September following the child's third birthday.*
- *All applications must be made on the 'Application for Admission to Little Hollies Nursery' form (Appendix 1) and returned to the school.*
- *The decision to offer a place to a child will be made by the Admissions Committee of the Governing Body following the Admission Criteria for that school year (Appendix 2).*
- *Any additional hours in excess of the allocated Nursery session will be subject to a charge as indicated on the Little Hollies Nursery Extended Services charges form.*
- *The admission number for Little Hollies Nursery is 52 part-time morning sessions.*

2. Reception entry

- *It is the Governors' policy to admit children at one point of entry in the September following the child's fourth birthday.*
- *All applications must be made online.*
- *The school's Additional Information Form (Appendix 3) should also be completed and returned to the school. Applications received only on the LA's preference form can only be considered by the information available to the LA at the time. It is essential to also complete an 'Additional Information Form'.*
- *The decision to offer a place to a child will be made by the Governors of the Admissions Committee of the school following the Admission Criteria for that school year (Appendix 5).*
- *The admission number for Deanery C E Primary School is 60 children.*
- *The dates and process of applications will be in-line with those published by the LA each year.*

3. In-Year Admission

This is when parents/carers seek the admission of their child in any academic year outside the normal admission round e.g. moving into the area. Parents should contact the school and make arrangements to visit the school and meet the Head Teacher or Senior Manager to discuss their child's admission.

To apply for a place for a child

- *An 'Application form for Admission' within a school year (Appendix 4) should be completed and returned to the school together with the Local Authority 'Application for a Change of School In Year' form.*
- *If a place is available, within the year group, a decision to offer a place will be made by Governors of the Admissions committee following the admissions criteria. (Appendix 5).*
- *If a place is not available the child's name will be placed on a waiting list and informed if the situation changes.*
- *The admission number for Deanery CE Primary School is 60 children in each year group.*

Offer Acceptance

Parents/carers will be given a date by which to accept an offer (usually 14 days). Applications of acceptance received after this deadline will only be considered after all those received by the deadline. This means that if no places are left after considering all the applications received by the deadline, even if you fulfil a higher criteria than that offered to other applicants, you will be unsuccessful.

Late Applications

Any applications received after the closing date for children coming into the Reception year will be ranked in order, dependent on our Admissions criteria and put on our waiting list. Applications at other times of the year and in other year groups will be considered in-line with our Admissions Criteria and names will be put on a waiting list if there are no places available. Should a place become available in a year group, an offer will be made by the Governing Body from the waiting list.

Admissions Criteria

- There is a separate admission criteria for
 - Little Hollies Nursery (Appendix 2)
 - Deanery CE Primary School (Appendix 5).

Admissions will be made using the Admissions Criteria for each school year. Please see the enclosed Appendices for the details of criteria for admission.

- The Governors have adopted the LA timetable (closing date and notification of places) for Reception admission.
- The vocabulary definitions used on the Admissions Criteria as explained in Appendix 2 and Appendix 5 have been adopted from the LA definitions.
- The Governors reserve the right to verify the home address and date of birth given on the application form.

Oversubscription/Tie-Breaker

If the number of applications for a particular year group exceeds the number of places available the following criteria will be used.

1. There is no automatic transfer from nursery. Parents must apply on the Local Authority Application Form for a place in the reception class and complete an "Additional Information Form" to be returned to school.
2. If offering places within any one of the criteria would cause the schools admission number to be exceeded, then children living nearest the school will be offered first. Distances are calculated by the LA on the basis of a straight-line measurement between the applicant's home address and the front door of the main school building. The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to plot an applicant's home address and the address of the school.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives the majority of the school week (Monday to Friday). If care is split equally, parents can choose which address will be used. Parents may be requested to supply documentary evidence to satisfy the authority that the child lives at the address put forward by the parents.

In a very small number of cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the Published Admission Number for the child's year group to be exceeded, the Local Authority will use a computerised system to randomly select the child to be offered the final place (unless there are multiple births – in this case all the siblings will be admitted).

The Governing Body have adopted the LA timetables (closing date and notification of places) and definitions as published in their prospectus.

3. Applications or changes to your application received after the closing date and before the Governors' admissions meeting will be deemed to have been made late. Applications received after the Governors' decision meeting will also be deemed to have been made late and will be considered after applications with the same priority that were received on time (unless there are particular circumstances which, in the opinion of the Governors, prevented from you applying earlier).

4. Applications for a school place at any time other than the normal time for admission (in-year admission) should be made to the Head Teacher. The Admissions Committee will consider the application and if there is a vacancy in the relevant year group, a place will be offered.

5. The Governing Body recognises its duty to comply with the Local Authority Fair Access Protocol to provide fair access to school for pupils who need a school place because they have missed, or are at risk of missing education.

Appeals

Parents who wish to appeal against the decision of the Governors to refuse their child a place in the school may appeal in writing to the Chair of Governors at Deanery CE Primary School, Fox Hollies Road, Sutton Coldfield. B76 2RD.

The school will then inform Birmingham Diocesan Board of Education who will contact the parent/carer with a date for the appeal. Appeals will be heard by an independent panel.

Unsuccessful Applications – Waiting Lists

If the Governors are unable to offer a child a place at the Deanery CE Primary School, the parent/carer will be offered the opportunity for the school to retain the child's name and contact information on a Register of Interest.

The order of priority on the Register is the same as the admission criteria. No account is taken of the length of time on the Register and there is no guarantee of a place at the school.

If at any time a place becomes available within a year group, a place will be offered to the child on the waiting list who best meets the needs of the admission criteria.

Admission of children below compulsory school age and deferred entry

By law, parents must ensure that their children are receiving suitable full-time education at the beginning of the term after their 5th birthday (the time when the child reaches compulsory school

age). The Local Authority, however, offers places for children to be admitted to Reception Class in the September at the start of the academic year in which they reach five years of age.

Parents may defer their child's admission to primary or infant school until later in the school year, but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year of which the offer was made.

A parent has the right for their child to be admitted on a part-time basis during the Reception year but not beyond the point that they reach compulsory school age.

In both cases above, a full-time school place is held for the child until they take it up.

Please note: A child who reaches the age of five during the 2020/21 summer term would reach compulsory school age in September 2021. It is not possible to accept a place in the Reception Class for September 2020 but defer the child's admission until the beginning of the 2021/2022 academic year, and if a child did not take up their place in a Reception Class in 2020/2021, a separate in-year application would need to be made for the child to enter the school in Year 1 and parents should note that as the overwhelming majority of children start school at the start of the academic year in which they reach the age of five, it is likely that some or all of the parents' preferred schools will have no vacancies in their child's year group if they apply for a place in Year 1 (these places having been allocated to children who started school the previous year).

Admission of children outside their normal age group

For some children in particular circumstances, for example summer born children (those born between 01 April – 31 August) or those with exceptional circumstances (eg: medical conditions which have delayed development), the School Admissions Code paragraph 2.17 states that parents may seek, but cannot insist on, a place for their child outside of their normal age group and can request that their child is admitted to Reception a year later – therefore starting school in the September following their fifth birthday.

Where a parent wishes to request admission out of the normal age group for their child, they should still make an application for their child's normal age group at the usual time to the Local Authority. At the same time, the parent should submit the request to the Chair of the Board of the Admission Authority by letter for their child to be admitted out of their normal age group, together with supporting evidence.

In accordance with the School Admissions Code 2014, admission authorities will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking into account the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. Admission authorities must also take into account the views of the head teacher of the school concerned. When informing a parent of their decision on the year group the child should be admitted to, the admission authority will set out clearly the reasons for their decision. The admission authority will ensure that the parent receives the response to their request before primary national offer day.

If the request is agreed, the application for the normal age group may be withdrawn and the parent must make a new application for a place in Reception Class as part of the main admissions round the following year, (but there is no guarantee of a place being offered at the parent's preferred school(s) at this stage). If the request is refused, the parent must decide

whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday (when, again, there is no guarantee of a place being available at the parent's preferred school(s)).

Requests for education out of normal year group for other years, (eg for gifted and talented children or children affected by ill-health) should be made to the admission authority of the school. As outlined above, a decision will be made on the basis of the circumstances of each case and in the best interests of the child concerned.

There is no right of appeal if a child is offered a place at a school but it is not in the age group preferred by the parents.

The admission authority for a Voluntary Controlled school will be the relevant Local Authority. For Voluntary Aided schools the admission authority is the Board of Governors and application can be made by letter to the Chair of Governors. For an Academy, the admission authority is the Board of Directors and application can be made by letter to the Chair of the Board.

A decision made by one admission authority in respect of admission of a child out of their normal age group is not binding on any other admission authority. (Please note, therefore, that a child educated out of normal age group in primary school may not be accepted out of normal age group when moving to secondary school).

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they read the DFE guidance be found at:

5.	Children who live nearest the school (as defined and measured by the Local Authority).

NOTES

1. Children with an Education, Health and Care Plan (EHCP) that names Deanery CE Primary School will be offered a place first. This will reduce the number of places available.
2. * Regular church attendance means “attendance at church worship at least twice a month and for at least one year preceding the date of admission”. This is measured by each Incumbent of the church within the old Deanery of Sutton Coldfield. ***In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for worship.***

If the family is moving in to the old Deanery of Sutton Coldfield, a letter demonstrating attendance at least twice a month, for at least one year preceding the date of admission, and signed by the minister of their previous church will be required.

Please contact the school for further information. An ‘Additional Information Form’ must be returned to the school if category 1 – 5 applies.

3. Under priority 2 a brother or sister must live at the same address and could be:
 - A brother or sister sharing the same parents;
 - a half-brother or half-sister, where two children share one parent; a stepbrother or stepsister, where two children are related by a parent’s marriage or civil partnership (a formal arrangement that gives same-sex couples the same legal status as married couples);
 - the separate children of a couple who live together; or
 - an adopted or fostered brother or sister.
4. There is no automatic transfer from nursery to reception class; a further application must be made in the following year.
5. If offering places within any one of the criteria would cause the schools admission number to be exceeded, then children living nearest will be offered first. Distances are measured by the Local Authority admissions system. If two or more applicants share the same distance to a school and a place is available the applicant to whom the place will be offered will be determined by random selection (unless there are multiple births – in this case all the siblings will be admitted).
6. Waiting lists are produced in strict order of priority, against the over-subscription criteria. Waiting lists are kept until the end of the autumn term in the year of admission.
7. Applications received after the designated closing date for receipt of applications will be deemed to have been made late and will be considered after applications with the same priority that were received on time (unless there are particular circumstances which prevented you from applying earlier).
8. A child’s home address is the place where the child is permanently resident with his or her parents. When a child lives between two addresses, the address used for offering a school place will be where the child lives for most of the school week (Monday to Friday). If care is split equally, parents can choose which address will be used.

Proof of residence will be required. Acceptable documentation for your child's application includes:

- A copy of your Council Tax bill
- A copy of a recent utility bill (gas, water, electricity, dated within the last six months)

NOTES

1. Children with an Education, Health and Care Plan (EHCP) that names Deanery CE Primary School will be offered a place first. This will reduce the number of places available.
2. * Regular church attendance means “attendance at church worship at least twice a month and for at least two years preceding the date of admission”. This is measured by each Incumbent of the church within the old Deanery of Sutton Coldfield. ***In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for worship.***

If the family is moving in to the old Deanery of Sutton Coldfield, a letter demonstrating attendance at least twice a month, for at least two years preceding the date of admission, and signed by the minister of their previous church will be required.

Please contact the school for further information. An ‘Additional Information Form’ must be returned to the school if category 1 – 5 applies.

3. Under priority 2 a brother or sister must live at the same address and could be:
 - A brother or sister sharing the same parents;
 - a half-brother or half-sister, where two children share one parent; a stepbrother or stepsister, where two children are related by a parent’s marriage or civil partnership (a formal arrangement that gives same-sex couples the same legal status as married couples);
 - the separate children of a couple who live together; or
 - an adopted or fostered brother or sister.
4. There is no automatic transfer from nursery to reception class; a further application must be made in the following year.
5. Successful applicants can request that the date their child is admitted to school is deferred until later in the academic year or until the term in which the child reaches compulsory school age. Parents can also request that their child takes up the place part-time until the child reaches compulsory school age.
6. If offering places within any one of the criteria would cause the schools admission number to be exceeded, then children living nearest will be offered first. Distances are measured by the Local Authority admissions system. If two or more applicants share the same distance to a school and a place is available the applicant to whom the place will be offered will be determined by the Local Authority by random selection (unless there are multiple births – in this case all the siblings will be admitted).
7. Waiting lists are produced in strict order of priority, against the over-subscription criteria. Waiting lists are kept until the end of the autumn term in the year of admission.
8. Applications received after the Local Authority’s designated closing date for receipt of applications will be deemed to have been made late and will be considered after applications with the same priority that were received on time (unless there are particular circumstances which prevented you from applying earlier).
9. A child’s home address is the place where the child is permanently resident with his or her parents. When a child lives between two addresses, the address used for offering a school

place will be where the child lives for most of the school week (Monday to Friday). If care is split equally, parents can choose which address will be used.

Proof of residence will be required. Acceptable documentation for your child's application includes:

- A copy of your Council Tax bill
- A copy of a recent utility bill (gas, water, electricity, dated within the last six months)
- A solicitors letter stating that contracts have been exchanged and specifying a completion date
- A copy of your Child Tax Credit or Working Tax Credit award letter (if you receive either of these benefits)
- A signed and dated tenancy agreement of not less than 12 months, plus proof of residency, e.g. a copy of a recent utility bill

If a parent knowingly provides false information as proof, which would affect the success of their application, they may have the place withdrawn.

Parents/carers can apply for a place for their child at any time and to any school. On receipt of an in-year application the school will notify the local authority of both the application and its outcome to allow the local authority to keep up to date with figures on the availability of school places in Birmingham.
