Dear Parents

Angie's Animal Antics – Tuesday 21 April 2020

On Tuesday 21 April 2020 we will be welcoming a very special visitor (and friends) to Early Years.

We are delighted to welcome back 'Angie's Animal Antics'. This is a fantastic opportunity for the children to investigate a selection of wild and wonderful minibeasts. There will be four sessions: two in the morning for Nursery and two in the afternoon for Reception. The cost of this activity will be funded from school funds so we won't be asking parents for any contribution.

Please indicate on the slip below any animal allergies your child may have.

Should you have any questions, please see a member of the Early Years staff.

Yours sincerely

Kate Brown (Mrs)
