

Deanery C.E. Primary School

Head Teacher: Mrs Jayne Lockett, BSc (Hons), PGCE, NPQH

Dear Parents and Carers

Thank you for following the COVID procedures over the last term. There have been a lot of changes to normal routines and I really appreciate your understanding and support.

I have received a number of queries and observations from parents in an attempt to make the daily drop off even safer. Concerns centre on certain 'pinch points' by the main school entrance and exit, along the footpaths where parents are both entering and exiting the school grounds.

I am therefore introducing a one-way system for parents when accessing school from the coach park direction. Please see diagram and it is also attached.

Deanery Church of England Primary School – Pedestrian Pinch Point Reduction Plan

2m markings will be added to the footpaths to aid social distancing and whilst I cannot ask parents and carers to wear facemasks when outside school, I would like to encourage this. We have a number of vulnerable adults and children within our school community and I am sure we would all like to do our bit, no matter how small to look after each other.

At the end of the school day we respectfully request that children and parents leave the school premises promptly in addition please can I request that you stick to the paths and done only 1 adult collect children from school.

With many thanks for your continued support.

Jayne Lockett (Mrs)

Head Teacher
Deanery C.E Primary School
