

Deanery C.E. Primary School CONSENT FORM

During your child's time at Deanery, there are a number of activities for which we require parental consent; these are listed below. Please sign and return the attached form indicating whether you give permission for your child to be included in these activities for the duration of their time at this school.

Local visits out of school

Teachers often arrange visits to the immediate locality, to St John's Church for services or to Walmley. These visits are for educational purposes, either for the whole school, year group, class or for small groups. Please indicate below, your permission for your child to go out of school to local Walmley areas, supervised by staff. We cannot allow the children to leave the premises unless we have your permission in writing.

Photographs

Using photographs is an important way of recording and assessing children's progress, particularly in practical activities. Photographs are used in children's books to demonstrate work undertaken or they are displayed around school; this is necessary as part of our assessment and recording.

However, we sometimes use photographs to promote our school and we share these with local newspapers, where children's names are also used. We need parental permission to use photographs for this purpose.

School Internet

We like to include photographs of school activities and events on our school website. Pictures will be taken from a distance, promoting and displaying class/year group and school activities. Agreement will always be sought for individual or close-up pictures to be used. Please indicate below if you agree to your child's picture appearing on the website. Please note that names will not be used in conjunction with the photos on the website.

Behaviour

Appropriate behaviour is expected at Deanery. We have a Behaviour Policy that we adhere to and this is explained in the enclosed document for your information and is also on the school website under 'policies'
