

Deanery C.E. Primary School

Head Teacher: Mrs Jayne Lockett, BSc (Hons), PGCE, NPQH

22 March 2020

Dear Parents/Carers

Key Worker – update ‘Social Distancing’

In order to maintain **social distancing** within the government guidelines of keeping 2 meters apart, when dropping off your child, please maintain a suitable distance between yourselves and other families. The door to Foxes Centre will be open from 9am and children will be let in one at a time. The first door into the vestibule will be accessible for parents and children. Children will come through into the next part of the building where their temperature will be taken. If your child's temperature is above the recommended level, they will be refused admission. Children will then wash their hands before entering the main Foxes space.

Upon collection, children will be transferred to parents within the vestibule area. Please again respect the social distancing requirements.

Although the child care is available between 9am and 3:30pm, we request you only utilise the care for the minimum time needed to enable you to meet your working commitment's, therefore a **later drop off** and **early pick up** is requested. e.g. if you require the child care from 10 am until 2pm, you can drop off and pick up at these times. This will also help to alleviate the bottlenecks associate with pick up and drop off times. There will be a member of staff on the door at all times to provide this level of flexibility.

If a school dinner is required, this does need to be communicated by 9:30 am to enable our catering staff to accommodate your request.

For those who have requested Foxes wrap around care, this service will continue to be available from 7:30am until 9am and 3:30pm until 6pm. Whilst there are fewer requests for this chargeable service, social distancing should not cause a problem.

We wish to maintain a safe and happy environment for all of our community and respectfully request that these wishes be adhered to.

Kind regards

Jayne Lockett
