

Turn an extra hour at school into a **worthwhile and highly enjoyable time** with the help of **Rugbytots!**

Our after school clubs offer the chance to learn the basic skills involved with rugby – skills that are transferable to other sports and activities.

What's more, in addition to developing children's agility and co-ordination, Rugbytots helps to enhance confidence and self-esteem. The development of better listening skills and teamwork all play an important part too.
