Dear Parents and Carers

Welcome back to school. I know that this is a term used every year but I would like to extend a very warm welcome this September especially.

Families have been navigating new normals for months in the midst of the COVID-19 pandemic, for many this will be the first time heading back to school in unfamiliar ways.

No matter the circumstances surrounding your return back-to-school, you can find peace and encouragement in the truth of God's word.

Philippians 4: 6 – 7

Don't worry about anything, instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus.

Attached with this email, is a photograph of your child's classroom to help ease transition back to school. In addition, we would like to share the questionnaire which was sent at the beginning of school closure, we are aware circumstances may well have changed over the last months and would appreciate if you shared your experiences in order to support our children and families.

Arrangements at the end of day have changed in order to ensure a staggered finish to limit numbers of parents and children on school site.

We look forward to greeting you back to school this week.

Thank you for your continued support.
