

# Deanery C.E. Primary School

Head Teacher: Mrs Jayne Lockett, BSc (Hons), PGCE, NPQH

16 January 2020

Dear Parent

## Silly Science Workshop

On Wednesday 11 March, as part of our Science Week programme, we have booked a Silly Science Workshop for children in Reception through to Year 6. This workshop will bring “explosive fun” to our school via the energetic Professor Nitrate, who will guide children through a science tour of discovery. During the workshop, children will learn about elements, why molecules bond, understand the magic of lift and the power of pressure as well as experiencing explosions! The science behind the experiments is curriculum based and interactive and is sure to ignite the curiosity of the children.

We are requesting a voluntary donation of £2 per child to cover the cost of the workshops.

Please complete the attached proforma and return it to school, via your child's class teacher.

Yours sincerely

Mrs E Collister  
Science Leader

## Silly Science Workshop

Child's Name ..... Class .....
